

E1 Transit Executive Limo Pricing Package

E1 Transit is the country's first all-electric limousine fleet, using advanced luxury vehicles such as the Tesla Model S.

Best service available

- Reliable, on-time pickup right to your door (unlike train or bus)
- Clean and well maintained vehicles
- Convenient, pre-paid online booking
- Email and text message reminder before the trip
- You will be provided with your driver's phone number so you can request anything directly
- Easy to contact - by phone, email, text message, mobile chat, fast online chat

Best vehicle in the world

- Safe – best crash rating out of any vehicle ever produced
- Silent – no engine noise since there is no gasoline engine
- Stylish – beautiful stand-out design and electric blue colour
- Technologically advanced – amazing in-car features
- Luxurious - spacious, premium high-end vehicle
- Our staff and drivers can show you more about your car's technology

Most environmentally friendly

- All electric fleet
- Zero emissions
- Best car for the environment
- Our cars save 20 litres of gasoline and over 50kg of CO2 per trip
- Socially responsible company
- E1 Transit plants trees for every ride made!
